? Assessment Program FAQ's

► **WHO IS A WELLNESS WARRIOR?**

A Wellness Warrior strives to live a remarkable lifestyle so they may be present with their family, excel in their career, flourish in their physical fitness, thrive while they play, and shine with confidence. A Wellness Warrior embraces being physically energized, emotionally connected, mentally focused, and spiritually aligned.

► **WHAT TESTS ARE INCLUDED IN THE ASSESSMENT?**

The 60 minute assessment includes lifestyle questionnaires, salivary genetic kits, microbiome kits and functional labs. The physical exam includes vitals, body composition testing, digital posture scans, coherence calculations, muscle/joint flexibility and functional movement screens.

► **WHAT IS THE WELLNESS WARRIOR VITALITY GUIDE?**

The vitality guide is your personal blueprint for optimal health. It includes the results for every assessment, your grade in mind, body, spirit as well as your biological age. It also includes your personalized recommendations for your diet, exercise, and nutraceutical prescription based on your DNA, physical exam, medical history, and lifestyle information. This will help you discover, improve, and protect your health in ways that are easy to implement in your daily life.

► **WHAT ARE THE PERSONALIZED NUTRACEUTICAL RX AND PACKETS?**

We provide a detailed nutraceutical Rx tailored to your DNA, labs, personal history, and lifestyle so you can give your body everything it needs to thrive. You will receive 12 weeks of personalized packets.

► **CAN I ENROLL IN THE WELLNESS WARRIOR RX PROGRAM AFTER THE ASSESSMENT PORTION?** Yes, you have up to 30 days to decide if you'd like to receive your personalized point system at no extra charge.

► **CAN I USE MY HEALTH INSURANCE OR FSA ACCOUNT?**

Yes, we're a licensed medical office and many of the services included may be submitted to your health insurance and HSA accounts for nutrition and functional medicine services.

► **ARE THERE FLEXIBLE PAYMENT ARRANGEMENTS OR FINANCING AVAILABLE?**

Yes, we offer both. We also offer Care Credit which can lower monthly payments to about \$100 per month.
